## What coverage support does Seagen Secure offer?

Seagen Secure offers a comprehensive suite of solutions:

Seagen Secure offers **benefits investigation** assistance to evaluate patient insurance coverage. Seagen Secure can coordinate with healthcare providers, patient insurers, and specialty pharmacies to assist with the **prior authorization process**.

If a healthcare provider determines **an appeal is appropriate**, Seagen Secure can review the payer policy to determine additional documentation that may be needed and track the status of the appeal and relay the information to the healthcare provider.

- Providers or patients should be prepared to fax copies of the supporting documentation used in the appeal to 855-557-2480
  - An Oncology Access Advocate will follow up with the payer to determine reason for the denial, steps for appeal, and any documentation required by the payer
- 

## Is there a patient assistance program?

The Patient Assistance Program provides Seagen's oncology therapy for up to 1 year at no cost to patients who meet program eligibility requirements.
